

## 2<sup>ND</sup> HEALTH, SAFETY AND ENVIRONMENT NATIONAL CONFERENCE

### CALL FOR PAPERS

The Zambia Chamber of Mines is pleased to announce that it will be holding its 2<sup>nd</sup> HSE National Conference from **Thursday 30<sup>th</sup> to Friday 31<sup>st</sup> July, 2015**, at Mulungushi International Conference Centre, in LUSAKA.

#### Conference theme

The theme of the Conference is: **“ROAD TO ZERO HARM”**

#### Scope and Topics

The high-level Conference being held under the theme, **“ROAD TO ZERO HARM”** will provide an ideal forum for experts from academia, research institutions, regulatory bodies and industry in mining Health Safety and Environment, for sharing, ideas, experiences and best practices.

Health, Safety and Environment issues in the mining industry have continued to dominate debate and scholarly enquiry globally.

Interested authors are invited to submit articles based on original research work, projects, surveys and industrial experiences relevant to **Occupational Health, Safety and Environment**, in mining and related industries.

#### Paper Submission

Abstracts of papers should be submitted to the Event Manager by **Friday 15<sup>th</sup> May, 2015** for consideration; by email on the address given below. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for the Conference.

Successful Authors will be requested to submit full papers not exceeding 15 pages in length, inclusive of illustrations. The papers must be in MSWord, produced on A4 paper size in 12 Point Times New Roman font, single line spacing, and in a single column format. The margins should be 35mm on the left and 25mm on the other three sides of the page. The text must be fully justified and paragraphs must be separated by single line spaces.

Submitted papers must contain the following sections as a minimum requirement:

- i. Title
- ii. Name of author(s) and affiliation with the e-mail address for lead or corresponding author
- iii. Abstract not exceeding **300** words.
- iv. About five (5) **keywords** (which must also appear in the abstract)
- v. Main body of the paper
- vi. Conclusions
- vii. References (Harvard style)

## **REVIEW PROCESS AND PUBLICATION**

All papers submitted will be reviewed with respect to overall quality of content, presentation, potential for future impact of the presentation on the practice of HSE in the mining industry relevance to the target audience. All accepted papers will be published in the Conference Proceedings.
